To: The Shareholders of Golden Energy And Resources Limited

Dear Shareholder

### THE PROPOSED RENEWAL OF SINAR MAS IPT MANDATE

#### 1. INTRODUCTION

- 1.1 The purpose of this Appendix is to provide Shareholders with the relevant information relating to the renewal of the Sinar Mas IPT Mandate.
- 1.2 The Sinar Mas IPT Mandate was originally approved by Shareholders at the 2015 EGM, as set out in the Circular of the Company dated 30 January 2015 (the “**Circular**”). The Sinar Mas IPT Mandate will expire on the date of the forthcoming AGM.

#### 2. RENEWAL OF THE SINAR MAS IPT MANDATE

##### 2.1 Chapter 9 of the Listing Manual

Chapter 9 of the Listing Manual governs transactions by a listed company, as well as transactions by its subsidiaries and associated companies that are considered to be at risk, with the listed company's Interested Persons. Whenever this Chapter applies to a transaction and the value of that transaction alone or on aggregation with other transactions conducted with the interested person during the financial year reaches, or exceeds certain materiality thresholds, the listed company is required to make an immediate announcement, or to make an immediate announcement and seek its shareholders' approval for that transaction.

Except for certain transactions which, by reason of the nature of such transactions, are not considered to put the listed company at risk to its Interested Persons and therefore are excluded from the ambit of Chapter 9 of the Listing Manual, immediate announcement and shareholders' approval would be required in respect of transactions with Interested Persons if certain financial thresholds (which are based on the value of the transaction as compared with the Group's latest audited consolidated NTA), are reached or exceeded.

In particular, shareholders' approval is required for an Interested Person Transaction of a value equal to, or which exceeds:

- (i) 5% of the Group's latest audited consolidated NTA; or

- (ii) 5% of the Group's latest audited consolidated NTA, when aggregated with other transactions entered into with the same interested person (as such term is construed under Chapter 9 of the Listing Manual) during the same financial year.

Chapter 9 of the Listing Manual permits a listed company, however, to seek a general mandate from its shareholders for recurrent transactions of a revenue or trading nature or those necessary for its day-to-day operations such as purchase and sale of supplies and materials (but not in respect of purchase or sale of assets, undertakings or businesses) that may be conducted with the listed company's Interested Persons.

## **2.2 Renewal of the Sinar Mas IPT Mandate**

Approval is being sought from Shareholders at the AGM for the renewal of the Sinar Mas IPT Mandate for entry by the Company into Mandated Transactions with the Mandated Interested Persons. If approved, the Sinar Mas IPT Mandate will take effect from the AGM and continue in force until the date of the next annual general meeting of the Company or such date as the next annual general meeting is required by law or by the Constitution of the Company to be held unless prior thereto, the Sinar Mas IPT Mandate is revoked or varied by the Company in general meeting. The Sinar Mas IPT Mandate may be put to Shareholders for renewal at each subsequent annual general meeting of the Company.

## **2.3 Rationale for and Benefits of the Sinar Mas IPT Mandate**

The transactions with the Mandated Interested Persons are entered into or to be entered into by the Group in its ordinary course of business. They are recurring transactions which are likely to occur with some degree of frequency and arise at any time and from time to time. The Sinar Mas IPT Mandate is intended to facilitate these transactions, provided that they are carried out at arm's length and on the Group's normal commercial terms and are not prejudicial to the Company and its minority Shareholders. Disclosure will be made in the format required by the Listing Manual, and to the extent required by the SGX-ST, of the aggregate value of Interested Person Transactions conducted pursuant to the Sinar Mas IPT Mandate during the current financial year, and in the annual reports for the subsequent financial years during which the Sinar Mas IPT Mandate is in force.

The Group will be able to benefit from such transactions with the Mandated Interested Persons. The Sinar Mas IPT Mandate and its subsequent renewal on an annual basis would eliminate the need to convene separate general meetings from time to time to seek Shareholders' approval as and when potential Interested Person Transactions with a specific class of Mandated Interested Persons arise, thereby reducing substantially the administrative time and expenses involved in convening such meetings, without compromising the Group's corporate objectives or adversely affecting the business opportunities available to the Group.

## **2.4 Classes of Interested Persons**

The Sinar Mas IPT Mandate will apply to Interested Person Transactions with Mandated Interested Persons.

Transactions with Mandated Interested Persons that do not fall within the ambit of the Sinar Mas IPT Mandate shall be subject to the relevant provisions of Chapter 9 of the Listing Manual.

## **2.5 Mandated Transactions**

The transactions with the Mandated Interested Persons which will be covered by the Sinar Mas IPT Mandate (the "**Mandated Transactions**") relate to the provision to, or the obtaining from, Mandated Interested Persons of recurrent transactions (such as the purchase and sale of products and services in the normal course of the Group's business) of a revenue or trading nature or which are necessary for its day-to-day operations (but not in respect of the purchase or sale of assets, undertakings or businesses which are not part of its day-to-day operations) comprising the following:

- (a) sale and purchase of coal, the entry into marketing agent arrangements in respect of the sale and purchase of coal, and the entry into road access and maintenance arrangements;

- (b) procurement of goods and services (including procurement of logs and the provision of transportation services in Indonesia);
- (c) obtaining financial and insurance services (the “**Financial and Insurance Services**”), such as:
  - (i) purchasing or obtaining of insurances;
  - (ii) purchasing or obtaining of hire purchase facilities, term loans and other credit or deposit facilities; and
  - (iii) obtaining of banking, financial and advisory services and related facilities (including hire purchase and factoring arrangements);
- (d) leasing, rental or renewal of lease of properties; and
- (e) any other transaction relating to the provision, or obtaining from or through Mandated Interested Persons, or the joint transacting with Mandated Interested Persons, for goods and services and products related to the Group’s principal and ancillary activities in the normal course of its businesses and on normal commercial terms.

## 2.6 Review Procedures for Mandated Transactions with Mandated Interested Persons

The Audit Committee has oversight of all Interested Person Transactions undertaken by the Group including the review of, and where required, approval of, such transactions. The Company has also established the procedures described below to ensure that the Interested Person Transactions are undertaken on an arm’s length basis and on normal commercial terms.

### Review Procedures

The Company has established procedures to ensure that Mandated Transactions with Mandated Interested Persons are undertaken on an arm’s length basis and on the Group’s normal commercial terms, consistent with its usual business practices and policies, which are generally no more favourable to the Mandated Interested Persons than those extended to unrelated third parties.

The senior executives of the Group (with no interest, direct or indirect, in the relevant transactions) for the purpose of the review procedures include any executive Director, the group chief executive officer and group chief financial officer of the Group, and the chief executive officers of the main operating subsidiaries of the GEMS Group (the “**Senior Executives**”).

In particular, the following review procedures have been put in place:

- Sale and purchase of coal, or provision of marketing agent services in respect of the sale and purchase of coal, and the entry into road access and maintenance arrangements

All contracts entered into or transactions with Mandated Interested Persons with regard to the sale and purchase of coal, provision of marketing agent services in respect of the sale and purchase of coal, and the entry into road access and maintenance arrangements, are to be carried out at the prevailing market rates or prices, and on terms which are no more favourable to the Mandated Interested Person than the usual commercial terms extended to unrelated third parties (including, where applicable, preferential rates, prices, commissions or discounts accorded to customers or purchasers who have a long-term contract with the Group) or otherwise in accordance with applicable industry norms.

Where the prevailing market rates or prices are not available, the pricing for coal products, marketing agent services or rates for road access and maintenance, is to be determined in accordance with the Group’s usual business practices and pricing policies, consistent with the usual margin to be obtained or price to be paid by the Group for the same or

substantially similar type of contract or transaction with unrelated third parties taking into consideration factors such as, but not limited to, quantity, volume, customer requirements, specifications, duration of contract and strategic purposes of the transaction or the limited resources available to the Group.

- Procurement of goods and services

When obtaining goods and services from Mandated Interested Persons, a Senior Executive (with no interest, direct or indirect, in the relevant transactions) shall compare the terms offered by the Mandated Interested Person against the terms of at least two (2) quotations obtained from unrelated third parties supplying similar goods and services, prior to the entering into of the contract or transaction with the Mandated Interested Person, as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable and comparable to those offered by other unrelated third parties supplying the same or substantially similar type of goods and services.

Where it is not possible or practicable for a formal quotation to be called (for example, where the product is a proprietary item or the Mandated Interested Person is the sole provider of such product or service), the Group's authorised Senior Executive (with no interest, direct or indirect, in the relevant transactions) will determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable. This would include taking into account, where known, if similar price and terms are offered to unrelated third parties.

- Obtaining of Financial and Insurance Services

When obtaining Financial and Insurance Services from Mandated Interested Persons, a Senior Executive (with no interest, direct or indirect, in the relevant transactions) shall compare the terms and rates offered by the Mandated Interested Person against the terms and rates offered by at least two (2) unrelated financial institutions or companies, prior to the entering into of the contract or transaction with the Mandated Interested Person, as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable and comparable to those offered by other unrelated financial institutions or companies.

Where quotations from less than two (2) financial institutions or companies, or no quotations are received from financial institutions or companies, the Group's authorised Senior Executive (with no interest, direct or indirect, in the relevant transactions) will determine whether the terms and rates offered by the Mandated Interested Person are fair and reasonable. This would include taking into account, where known, available recent terms and conditions of comparable transactions and corroborative inputs from market practitioners.

- Leasing, rental or renewal of lease of properties

When leasing, renting or renewing the lease of properties from or to a Mandated Interested Person, appropriate steps will be taken to ensure that such lease, rent or renewal is matched with prevailing market rates, including adopting measures such as making relevant enquiries with at least two (2) landlords of similar properties and obtaining suitable reports or reviews published by property agents (where necessary). The rent payable shall be based on the most competitive market rental rates of similar properties in terms of size and location, based on the results of the relevant enquiries.

Where it is not possible or practicable for enquiries to be made or to obtain suitable reports or reviews by property agents, the Group's authorised Senior Executive (with no interest, direct or indirect, in the relevant transactions) will determine whether the price and terms offered by the Mandated Interested Person are fair and reasonable. This would include taking into account, where known, if similar price and terms are offered to unrelated third parties.

## Approval Limits

<u>Approval Limits</u>	<u>Approving Authority</u>
Individual transaction exceeding US\$100,000 but less than US\$1.0 million in value	Reviewed and approved by any of the executive Director
Individual transaction equal to or exceeding US\$1.0 million but less than 3.0% of the NTA of the Group in value	Reviewed and approved by the majority of the Board of Directors
Individual transaction equal to or exceeding 3.0% of the NTA of the Group in value	Reviewed and approved by the majority of the Audit Committee and the Board of Directors

If any person specified above has an interest (direct or indirect) in a transaction falling within a category of transactions to be reviewed and approved by him, he will abstain from any decision making in respect of that transaction, and such transaction will be reviewed and approved by other persons who are authorised to review and approve that category of transactions, if any, who do not have any interest (direct or indirect) in that transaction.

If not, the transaction must be approved by the person(s) who has (have) authority for reviewing and approving the category of transactions that immediately follows in terms of value.

*The Board of Directors and the Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor interested person transactions have been complied with.*

## **2.7 Other Review Procedures**

The Group has also implemented the following procedures for the identification of Mandated Interested Persons and the recording of all its interested person transactions:

- (a) a register of Interested Persons and a register of all transactions carried out with Mandated Interested Persons, whether mandated or non-mandated. The Group's internal audit plan will incorporate a review of all interested person transactions whether mandated or non-mandated; and
- (b) on a quarterly basis, the Group's internal auditors will submit a report to the Audit Committee of all recorded interested person transactions, and the basis of such transactions, entered into by the Group.

The Audit Committee will review all of the Group's interested person transactions, whether mandated or non-mandated, on a quarterly basis and will include the review of the Group's interested person transactions as part of its standard procedures while examining the adequacy of the Group's internal controls.

## **2.8 Review of Interested Person Transactions not subject to the Sinar Mas IPT Mandate and Review by Audit Committee**

All other existing and future interested person transactions not subject to the Sinar Mas IPT Mandate will be reviewed by the Audit Committee from time to time in accordance with the requirements of Chapter 9 of the Listing Manual, to ensure that they are carried out on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

The Audit Committee will also review the internal audit reports to ascertain whether the guidelines and procedures established to monitor interested person transactions have been complied with. Further, if during these periodic reviews by the Audit Committee, the Audit Committee is of the view that the guidelines and procedures as stated in Sections 2.6 and 2.7 above are not sufficient to ensure that these interested person transactions will be on normal commercial terms and will not be prejudicial to the Company and its minority Shareholders, the Group will (pursuant to Rule 920(1)(b)(iv) and (vii) of the Listing Manual) revert to Shareholders for a fresh mandate based on new guidelines and procedures for transactions with Mandated Interested Persons pursuant to which additional information may be required to be presented to Shareholders and an independent financial adviser may be appointed for an opinion.

In the event that a member of the Board of Directors or a member of the Audit Committee has a conflict of interest in relation to any interested person transaction, he will abstain from reviewing and/or approving (as the case may be) that particular transaction. In such instances, an alternative approving authority will be responsible for reviewing and/or approving (as the case may be) the transaction.

### **3. DIRECTORS' AND SUBSTANTIAL SHAREHOLDERS' INTEREST**

Directors' and Substantial Shareholders' interests in the shares of the Company are presented in the "Directors' Report" section and "Statistics of Shareholdings" section of the Company's annual report respectively.

### **4. DISCLOSURES**

In accordance with Chapter 9 of the Listing Manual, the Company will disclose in its annual report, the aggregate value of the IPTs conducted pursuant to the Sinar Mas IPT Mandate during the financial year. In addition, the Company will announce the aggregate value of the Interested Person Transactions conducted pursuant to the renewed Sinar Mas IPT Mandate for the financial periods which it is required to report on within the time required for the announcement of such report. These disclosures will be in the form set out in Rule 907 of the Listing Manual.

### **5. VOTING**

In accordance with the requirements of Chapter 9 of the Listing Manual, PT Dian Swastatika Sentosa Tbk will abstain from voting, and has undertaken to ensure that its associates will abstain from voting, on the Ordinary Resolution relating to the renewal of the Sinar Mas IPT Mandate to be proposed at the AGM in respect of the Shares held by it.

### **6. STATEMENT FROM THE AUDIT COMMITTEE**

The Audit Committee (excluding Mr Lay Krisnan Cahya, who has abstained from opining on the Sinar Mas IPT Mandate) is of the view that the terms of the Interested Person Transactions set out in Section 2 above are on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. The Audit Committee is also of the view that the procedures referred to in Section 2.6 of this Appendix have not changed from the last shareholder approval, the terms of which are contained in Section 12.3.3 of the Letter to Shareholders from the Board of Directors of the Company in the Circular, and are sufficient to ensure that the Interested Person Transactions are carried out on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

## 7. DIRECTORS' RECOMMENDATION

The Directors (save for Messrs Lay Krisnan Cahya and Fuganto Widjaja who are abstaining from making a recommendation in respect of the proposed renewal of the Sinar Mas IPT Mandate), after taking into account the rationale and information relating to the Sinar Mas IPT Mandate set out in Section 2 of this Appendix, are of the opinion that the proposed renewal of the Sinar Mas IPT Mandate is in the best interests of the Company.

Accordingly, the Directors (save for Messrs Krisnan Cahya and Fuganto Widjaja) recommend that Shareholders vote in favour of the Ordinary Resolution 8 relating to the proposed renewal of the Sinar Mas IPT Mandate as set out in the Notice of AGM on page 112 of the Annual Report at the AGM.

The Directors collectively and individually accept full responsibility for the accuracy of the information given in this Appendix and confirm after making all reasonable enquiries that, to the best of their knowledge and belief, this Appendix constitutes full and true disclosure of all material facts about the proposed renewal of the Sinar Mas IPT Mandate, the Company and its subsidiaries, and the Directors are not aware of any facts the omission of which would make any statement in this Appendix misleading.
